

Use Captivate to Create Engaging E-Learnings

Lisa Eckels—CPLP
lisa.eckels@ucdmc.ucdavis.edu
916-716-2170

Adobe Captivate Features

- Text Captions, Rollover Captions, Highlight Boxes
- Images, Animation, Flash Video, Drawing Objects
- Interactivity: Text Entry Boxes, Click Boxes, Buttons
- Question Slides: Multiple Choice, Fill in the Blank, Matching
- Branching
- Widgets: Certificates, Buttons
- Automated Voices
- Adobe Captivate Reviewer

E-Learnings: Design Tips

- Develop a script
- Add meaningful interactions
- Jazz it up with pictures
- Use audio when feasible

E-Learnings: Lessons Learned

- Always save to desktop—not a shared network
- Keep a back-up copy
- Use automated voices until ready to record audio
- Where will the E-learning be tracked—Ask at beginning of design phase
