

# The Leadership Challenge® E-Learning Program

- Are you looking for an opportunity to build leadership skills outside the classroom?
- Do you need to develop more leaders within your organization, across multiple locations?
- Looking for a new way to engage your learners in a proven leadership program?

More than 3 million leaders have built their leadership skills using Kouzes and Posner's The Leadership Challenge® resources. Now for the first time, The Leadership Challenge® is available in a state of the art E-Learning program that will not only help develop your leaders but teach them how to apply those key leadership strategies to their teams.

Pfeiffer is pleased to introduce a new, convenient way to bring The Leadership Challenge® to everyone in your organization, wherever they are, whenever they're available.

## THE MOST TRUSTED SOURCE FOR BECOMING A BETTER LEADER

Co-developed with award-winning e-learning developer Enspire Learning and based on the Five Practices of Exemplary Leadership®, this new multimedia self-directed online program is designed to help your staff better understand how to apply leadership strategies.

### The program provides:

- A 130-minute interactive and self-directed online course covering the modules of The Five Practices of Exemplary Leadership: Model the Way; Inspire a Shared Vision; Challenge the Process; Enable Others to Act; and Encourage the Heart
- Activities and information, as well as interactive handouts, stories, and multimedia resources
- A printable certificate of completion for the course, as well as a congratulatory video from Jim and Barry themselves!

### Self-directed learning, at your own pace

With The Leadership Challenge e-Learning Program, participants can:

- Schedule coursework around personal and professional lives
- Learn at their own pace, moving along as they master each module
- Engage the program anywhere they can access a computer
- Accommodate their own learning style

You can use The Leadership Challenge® e-Learning Program as a general introduction to leadership, a companion course to the LPI, or a cost effective solution for a team or group.

There's no more versatile, economical way to make "leadership everyone's business" in your organization.
